(a) whether Government's attention has been drawn to the news-item captioned "Doorsanchar Ke Kaam Kaj Se Asantosh Mein Paswan Bhee" published in the Nav Bharat Times dated the 8th June, 2000;

(b) if so, whether while heading the First Joint Meeting of the National Telecom Advisory Committee, he admitted that he was not completely satisfied with the Consumer Departments Services and it is to be necessary to know how the working of the Department has to be unproved; and

(c) the steps being taken to improve the same?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI TAPAN SIKDAR): (a) Yes, Sir.

(b) "Consumer Departments Services" is a misnomer as there is no "Consumer Departments Services" *in* Ministry of Communications. However, Hon'ble MOC touched upon unsatisfactory performance of MARR equipments used in VPTs, unfulfilment of the target fixed for VPTs, expeditious clearance of faults and attendance to the public grievances.

(c) (i) An action plan has been drawn to replace 1,11,000 MARR systems by Wireless in Local Loop (WLL) System and 1,00,000 more villages will be covered with WLL system in the current year.

(ii) A grievance Cell has been set up to redress public grievance and early clearance of faults. This has already started yielding desired results.

(iii) A committee has been set up under a Sr. DDG for monitoring performance in rural areas.

(iv) AH Southern States are to cover their villages by VPTs by 2001.

(v) A committee under MOS(C) has been set up *to* identify technologies appropriate to the need of the country.

(vi) A committee under Advisor (O) has been set up to suggest ways and means to provide world class service in big cities.

(vii) Pagers have been supplied to line staff for speedy clearance of faults in all State capitals.
